

ECE 49022
Team 23: Wherehouse
Communication Subsystem
Sam Kovnar

System Repository (not fully merged yet)

<https://github.com/srkovnar/wherehouse>

- My work is under subsystems/communication
- The firmware I have written for the ESP8266 module is under subsystems/communication/esp8266_firmware

PDF containing my subsystem schematic is attached on the next page of this document.
